Michael T. Cricco
North Jersey District Water Supply Commission
1 Orechio Drive
Wanaque, New Jersey 07465

Dear Commissioner Cricco:

In furtherance of our ongoing effort to ensure transparency and fiscal responsibility at all State authorities, I would like to inquire into certain issues regarding the service of the Commissioners of the North Jersey District Water Supply Commission ("NJDWSC" or the "Commission"). The need for this inquiry is amplified by the fact that the Governor lacks veto authority over the actions taken by the Commission. Accordingly, I respectfully request that you provide responses to the below questions in writing within seven (7) business days:

1. Have you ever identified or recommended any individual or individuals for hire at NJDWSC while a Commissioner? If so, please provide a list of such individuals and a statement of the reasons and justifications for those recommendations and the qualifications of the individuals recommended for hire.
2. Do any family members or relatives, including individuals related to you by blood or marriage, currently work, or have they in the past worked, at NJDWSC? If so, please provide a list of such individuals, and indicate the nature of your involvement, if any, in the hiring decisions for your relatives, including but not limited to whether you recommended or supported such hiring either verbally or in writing. In addition, please provide the qualifications of those individuals.
3. Have any of the employees, current or past, listed in your responses to the above inquiries, received any salary increase, promotion, transfer or other benefit or "perk"? If so, please indicate the justification for such action and the nature of your involvement, if any, in that action, including but not limited to whether you recommended or supported such action either verbally or in writing.
4. Have any individuals or companies received compensation from NJDWSC, including but not limited to outside consultants or vendors, based upon your recommendation or

support (other than just your vote as a Commissioner)? If so, please provide a list of those individuals or companies, as well as a statement of the reasons and justifications for your recommendations and the qualifications of the individuals or companies recommended or selected. Indicate whether you possessed any interest, either direct or indirect, in any contract awarded.

5. Have you ever taken part in any out-of-State travel, overnight in-State travel, or any seminar, conference, or training event (either in-State or out-of-State) in your role as a Commissioner that was either partially or fully funded by the Commission? If so, please provide details of such travel or event, including dates, locations, purpose, and total cost.

We anticipate your prompt cooperation and compliance with these requests.

Sincerely,

Jeffrey S. Chiesa
